

Appl. No. 10/062,346  
Amdt. Date: August 8, 2005  
Reply to Office action of July 6, 2005

**Amendments to the Specification**

Please replace paragraph [0003] with the following amended paragraph:

[0003] These displays contain information related to the nature of the particular display. The pieces of information can be referred to as objects and can include text, charts, graphs and pictorial images. Each display contains one or more of these objects. Each display contains information about the objects contained on the display. This information includes information about any hotspot (hyperlink) objects contained on the display. This information is created by software during the creation of the display and is stored such that the information is transparent to the user.
